

GLOBAL BUSINESS ADMINISTRATION DIPLOMA

The **Business Administration with Work Study** experience diploma program is designed to offer the widest range of possible career choices and opportunities in a variety of business disciplines.

Graduates are prepared to work in diverse team settings and lead projects with relevant and practical skills.

Throughout the first 24 weeks Global Business Administration courses will cover core business topics such as project business communications, financial and managerial accounting, operations management, entrepreneurship, human resources management and business management to ensure you can navigate any business environment.

This learning experience will enable you to:

- Conduct and present research to support business decision making
- Assess and use current concepts/systems and technologies to support an organization's business initiatives
- Develop a business plan to formulate the strategic direction of an organization
- Apply human resources practices to support management objectives and the organization's goals.
